

AK-PMT2 MEDICAL MOUSE 3-BUTTON SCROLL

Waterproof Medical Mouse with Scroll Buttons

Models may vary from the image shown

The AK-PMT2 is a robust medical-grade mouse designed for use in challenging environments. With an IP68 waterproof rating, it provides reliable protection against water and dirt, thanks to its fully sealed silicone cover. This makes it particularly well-suited for healthcare and laboratory settings, where maintaining high hygiene standards is essential. Instead of a traditional scroll wheel, the AK-PMT2 features a 3-button-scroll, offering a more hygienic alternative while ensuring precise and ergonomic user experience. Additionally, the mouse is ambidextrous, catering to both right- and left-handed users for maximum comfort and usability.

FUNCTION AND PERFORMANCE

- IP68 waterproof rating
- Fully sealed silicone cover
- 3-Button-Scroll as a more hygienic and easy-to-clean scroll wheel alternative
- Optical sensor for precise cursor control
- Suitable for both right- and left-handed users
